DISCLAIMER:

The information contained in this document is for informational purposes only, is current as of January 1, 2022. It is always the responsibility of the provider to determine if the services actually provided are accurately described by any specific code(s) and to report services consistent with specific payer requirements. This information is subject to change at any time, and UroCure strongly recommends that you consult your payer organization with regard to its reimbursement policies. In all cases, services billed must be medically necessary, actually performed as reported and appropriately documented.
